## IN THE SENATE OF THE UNITED STATES

February 14, 2001

Mr. DEWINE (for himself and Mr. Reid) introduced the following bill; which was read twice and referred to the Committee on Finance

## A BILL

To provide for a study of anesthesia services furnished under the medicare program, and to expand arrangements under which certified registered nurse anesthetists may furnish such services.

1 Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, 3 SECTION 1. STUDY AND REPORT ON ANESTHESIA SERV-4 ICES UNDER THE MEDICARE PROGRAM; 5 MODIFICATION OF REGULATIONS REGARD-6 SUPERVISION OF **CERTIFIED** ING REG-7 ISTERED NURSE ANESTHETISTS.

- 1 (1) The Secretary of Health and Human Serv-2 ices shall conduct a multistate comparative study of 3 mortality and adverse outcome rates of medicare patients by providers of anesthesia services and by type 5 of such providers. In conducting the study, the Sec-6 retary shall develop comparative outcome data for a 7 representative sample of medicare patients based on 8 the complexity of the anesthesia services furnished 9 to such patients.
  - (2) In conducting the study, the Secretary shall consult with appropriate national professional organizations with respect to the methodology, and shall use medicare operating room reimbursement claims data verified by sampling actual patient records.
- 15 (b) Report.—Not later than January 1, 2006, the 16 Secretary shall submit to Congress a report containing the 17 results of the study conducted under subsection (a).
  - (c) Promulgation of Revised Regulations.—
  - (1) IN GENERAL.—Pending the completion of the study under subsection (a), the Secretary of Health and Human Services shall revise any regulations establishing conditions of participation under the medicare program for hospitals and ambulatory surgical centers under title XVIII of the Social Security Act relating to anesthesia services furnished
